ABOUT US

The Chicago Ismaili Basketball Association (CHI☆BA) is a new community basketball league bringing together Ismaili athletes across Chicago to compete, connect, and grow through the game of basketball. Our mission is to foster a community of unity, promote fitness, and create positive community engagement through basketball. Basketball is more than just a game for us — it's a way to foster teamwork, discipline, leadership, and pride within our Jamat.

Our association is building a strong foundation to become a premier community league in Chicago. Looking ahead, we envision a future of inclusivity and expansion to various age groups and sports. We want CHI☆BA to be accessible to all members in the Jamat. We are grateful for the constant support that we have received, as it is fueling us for the exciting journey that lies ahead.

WHY SPONSOR?

1 COMMUNITY

2 HEALTH

3 VISIBILITY

Sponsoring CHI☆BA will help carry out the vision for constant growth and improvement within the organization. These donations go towards court rentals, officials, jerseys, snacks, and more. This will ultimately reduce the registration cost required by athletes. Together, we can build something lasting for the Ismaili Chicagoland community.
